

THE ART OF THE GAME!

Presented by Karol Monroe

Bridge Labs with the Monroes present a fresh approach to explore communication concepts and develop skills and techniques with the bids we make and with the cards we play. This series of four classes will guide you to focus on goals, available tools, and better communication practices to aim for the target on each hand and hit the bullseye.

BROUGHT TO YOU BY MHDBC at The Joslyn Center Palm Desert

Series of 4 Classes (Thursdays)

March 14 – March 21 – March 28 – April 4
